- transferable from apps, wearables and medical technology

Faster in everyday life

- accounting, real-time rules and self-learning functions
- effectively solving of complex practice management
- 1-click documentation

References

"intuitive, fast, available everywhere - inSuite is highly flexible, even when working on tablets"

DR. SUSANNE SPIELMANN,
SCHMERZPRAXIS ZEHLENDORF

"We are enthusiastic about the case file and the online appointment calendar which we are using with the patient portal."

DR. WOLFRAM OTTO,
MANAGING DIRECTOR OF OSTEOPRO

"I would like to improve my work and that of my staff, so that in the end I can also offer better service to my patients. For this reason and for more safety and comfort in everyday life, I recommend inSuite to my general practitioner colleagues."

ALLGEMEINMEDIZINER
DR. AKVAN GÜL
